

WRITE TO THE WOMEN OF CWAA

The Convicted Women Against Abuse need your support, encouragement and words of inspiration after hearing their stories in *Sin by Silence*. Also, if you are able, include some stamps in your letter and make sure to write "stamps enclosed" on the envelope. Most inmates only make 10 cents per hour at their jobs, so stamps are greatly appreciated...and will help the women be able to write you back!

Glenda Crosley passed away on July 13, 2013 from a brief battle with pancreatic cancer. With the recent passage of the Sin by Silence laws, there were many people working hard to see possible freedom during 2014 for this survivor. We find solace in the fact that her story will carry on through *Sin by Silence* for generations to come.

Glenda Virgil was released from prison on June 25, 2013. Send her a message that we can pass along to her at Virgil@SinBySilence.com
